# HUMAN RIGHTS AND QUALITY STANDARDS IN DRUG TREATMENT

This event will explore the many human rights violations related to addiction treatments and how should drug policies help overcome this problem. It will also shed light on ways to identify and reduce barriers to accessing drug treatment services and improve their quality.

The panel is composed of experts from various backgrounds and regions of the world who will provide an enriching exchange of reflections and insights upon this issue:

- **Torbjørn K. Brekke** – Senior Drug Policy Adviser, Ministry of Health and Care Services, Norway
- **Gloria Lai** – Regional Director Asia, International Drug Policy Consortium (IDPC)
- **Dr. Rajesh Kumar** – Executive Director, Society for Promotion of Youth & Masses (SPYM), India
- **Gisela Hansen** – Clinical psychologist, Dianova International, Spain
- **Kenneth Arctander** – Communication Manager, Interest Organization for Substance Misusers (RIO), Norway

## **Moderation**

**Lucía Goberna**, Dianova International

We should be most honoured if you were to take part in this event and debate with us.
